Group #4

Advisor: Prof. Rover

Client: Dr. Smiley-Oyen

Weeks accomplishments:

- None

Plan for coming week:

- Continue to search for a computer to have in our design lab.
- Try to re-establish contact with our Microsoft advisor Shawn.

Pending issues:

- The machines in the Senior design lab aren't powerful enough to meet our needs.
- The machines in the Senior design lab don't have all the software we require.
- Waiting to hear back on team size limit for Imagine Cup from Microsoft.
