

**11/26/12-11/30/12**

**Group #4**

**Advisor: Prof. Rover**

**Client: Dr. Smiley-Oyen**

**Weeks accomplishments:**

- Deven: prepared slides for presentation.

**Plan for coming week:**

- Continue to prepare for the presentation.
- Need to upload/complete the 2<sup>nd</sup> revision of the Project Plan before the end of the semester.
- Need to upload/complete the 2<sup>nd</sup> revision of the Design Doc before the end of the semester.

**Pending issues:**

- Need to discuss if we will need help in the developing graphics for the game aspect of the project. (As we discussed with Dr. Rover)
- Come up with a detailed time line of tasks to complete for next semester for each team member before Dec. 7<sup>th</sup> when we plan to review these tasks with Dr. Rover.
