

Weekly Report from 10/30/12 to 10/6/12

Group MAY13-07
Advisor: Tom Daniels
Client: Garmin
Group Members:
Scott Schroeder
Thomas Moser
Ethan Little

Weekly Accomplishments:
Met with advisor and discussed various imaging techniques.
Planned website goals and implementation.
Looked into prototype cameras

Main points of meeting:
Most of the week was devoted to figuring out which sensor would be most appropriate for our applications. We discussed the merits of IR vs. Optical, as well as means of obtaining our selected device. Connectivity and resolution were two main points of consideration.

Plan for Next Week:
Develop website.
Possibly meet with Garmin rep.
Finalize input sensor choice.

Pending Issues:
Hardware selection.

Individual Contributions:
Scott: Group meeting, facilitated Garmin waivers
Thomas: Contributed to homework and website initial phase.
Ethan: Weekly report and initial website layout.
