

9/23/2012

Weekly Report 9/17 - 9/23

Group: 13-17

Advisor: Prof. Somani

Client: Josh Mandich/ Venture Lights

Accomplishments:

- More definite idea of what will be needed for the project.- Basic outline of our project plan.
- Areas to work on outlined and assigned to group members

Plan for the coming week:

- Complete first project plan, may need additional meeting.
- Continue individual research.
- Check status of website.

Pending Issues:

- Need to find out if we need to network with ISU parking database.
- Find out more about requirements and specifications.

Individual Contributions:

- All team members: Initial ideas for project plan, continued individual research.
