

Weekly Report 4

September 17th to September 24th

General Information

Group Number: 13-25

Group Advisor: Professor Gary Tuttle

Client: Professor Gary Tuttle

Accomplishments

- We discussed over email this week because our times did not match up.
- We discussed the items in our plan for the week

Plan for Coming Week

- Finish the first draft of the Project Plan by Friday
- Meet in person with our entire group to work on the project plan
- Give our project plan to our advisor and client to look over.
- Create a schedule of when milestones in the project need to be completed
- Come up with a problem statement for our report
- Decide what the deliverables need to be at the end of the semester

Pending Issues

We are waiting on the previous mask diagrams from our client. After receiving these we can start brainstorming what can be improved.

Individual Contributions

Each member contributed to the email discussions.
