

# Weekly Report 5

---

*September 24<sup>th</sup> to October 1<sup>st</sup> 2012*

## General Information

Group Number: 13-25

Group Advisor: Professor Gary Tuttle

Client: Professor Gary Tuttle

## Accomplishments

- We met with the group this week to work on the project plan.
- A project plan draft was created and submitted.
- We received the documents for the old mask set.
- We set up a Google calendar for our project to keep track of when meetings are.
- A rough schedule was ironed out for this semester and the next (see below).

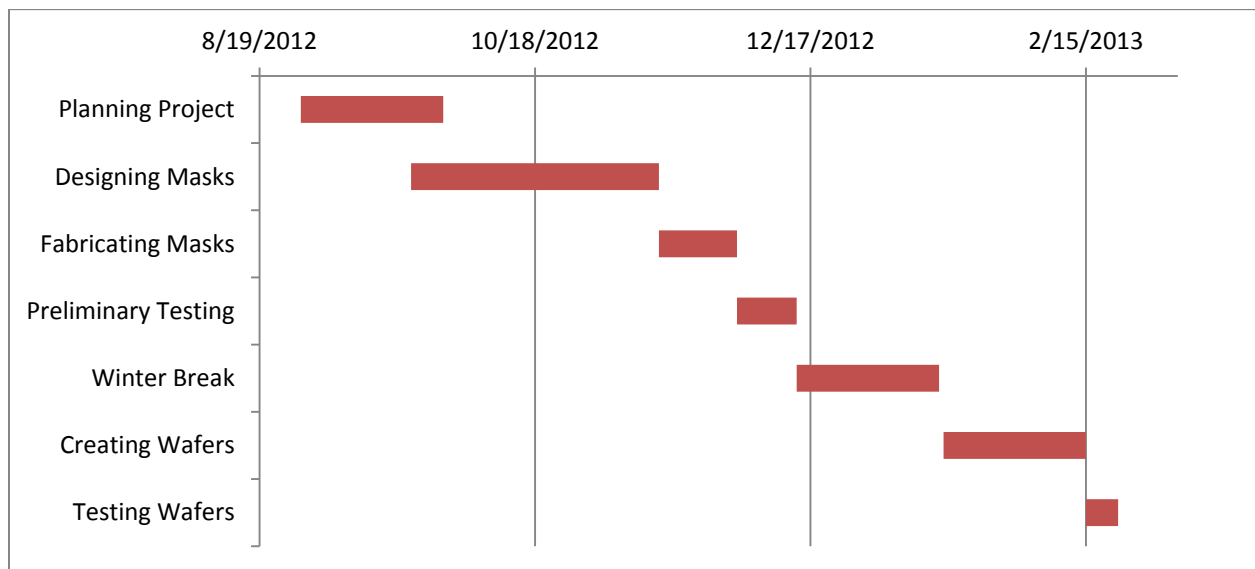

Figure 1: The Gantt chart for our project.

## **Plan for Coming Week**

- We have a meeting scheduled for Wednesday to do a rough layout of our masks by hand.
- Go through the designs for the old mask set and see what can be improved.
- Split up the design work for the masks so that we can more efficiently get the design working.
- Start thinking about what will go into our design document.

## **Pending Issues**

No current pending issues.

## **Individual Contributions**

Each member helped write the project plan document. Using Google docs, we each wrote and edit the document at the same time.
