

## **WEEKLY REPORT**

**Date: 09/09/13**

Group Name: May14-31

Client/Advisor: Prof. Gordon Burleigh / Ruchi Chaudhary

Attendees/Role: Andrew Upah-Leader, Michael Ore-Webmaster,  
John Harding-Communication, Nicholas McLaren, Bryce Wilson

### **Past week accomplishments**

- Started researching information about our project: i.e. possible algorithms and data we will be receiving from public online databases
- Learned of when we could meet with our advisor and set up a time to meet with her this next week.

### **Plan for coming week**

- Meet with our advisor
- Learn more about our topic
- Answer any questions we have about the project
- Start thinking about implementation, division of labor

### **Pending issues**

- Finding a solid time for everyone in our group to meet with our advisor

### **Individual contributions**

- Michael Ore: Set up document share, research
- Andrew Upah: Helped create questions to ask advisor, research
- John Harding: Set up group meetings with advisor, research
- Nicholas McLaren: research
- Bryce Wilson: research

### **Individual hourly contribution**

- Michael Ore: 3 hours
- Andrew Upah: 2 hours
- John Harding: 2 hours
- Nicholas McLaren: 2 hours
- Bryce Wilson: 2 hours
